YLIOPPILASTUTKINTOLAUTAKUNTA
STUDENTEXAMENSNÄMNDEN

Answer questions 1–25 by choosing the **best** alternative. Mark your answers **on the optical answer sheet in pencil**.

I

You will hear part one twice: first straight through and then in short sections. Answer questions 1–5.

1. What's happening in business?
 - A No new revelations have come out
 - B There is an increased focus on sales of products women prefer
 - C Women are taking their place in business

2. Who's behind the Third Billion Campaign?
 - A American corporations
 - B Groups from around the world
 - C Mainstream bank managers

3. How are consumer items being sold?
 - A By increasing the number of retail outlet stores
 - B By individuals networking within their communities
 - C By lowering the costs and thereby the prices of the products

4. What does Mary Wester find encouraging?
 - A Those businesses led by women find greater social approval
 - B The ratio of women to men in business leadership is improving
 - C Businesses with women in leadership are more successful

5. What accounts for the successful sales of a product?
- A Individual instruction about its use
 - B Persuading the customer of its benefits
 - C The right product in the right place at the right time

II

You will hear the second part twice: first straight through, then in short sections. Answer questions 6–15.

6. What is Pauline Stancliffe's job?
- A To provide information to the public
 - B To carry out research on birds
 - C To host radio shows
7. What is the project of the British Trust for Birds studying?
- A The basic statistics on the numbers of cuckoos in Britain
 - B The reasons for fewer cuckoos being able to mate
 - C The causes of the decline in cuckoos coming back from Africa

8. What is the purpose of the tags on the cuckoos?
- A To give objective data on their progress
 - B To show where their mating grounds are
 - C To demonstrate the practicality of tracking birds
9. How are the radio tags on the birds followed?
- A From mobile phone towers
 - B From spacecraft
 - C From solar cells

10. Why had no one discovered British cuckoos in West Africa earlier on?

- A In that region there had been a lack of bird studies
- B The ringing procedures had failed
- C They had been misidentified

11. Why do the birds stop near the River Po?

- A To rest up after crossing Europe
- B To gain energy
- C To follow the river south

12. What appears to be the riskiest part of a bird's migration?

- A When it is moving into West Africa
- B When it prepares to fly through the desert
- C When it gets into Spain

13. What was unusual about the birds' return to Britain?

- A Most flew non-stop from Congo to Britain
- B Most have inconsistency in the routes taken
- C Most of them came up against bad weather and had to wait

14. What takes the longest time when flying back to Britain?

- A Getting past the Sahara
- B Staying put for a while
- C Flying across mainland Europe

15. What is perhaps the most important factor in cuckoo migration?

- A At what stage it takes place
- B Which route the individual bird takes
- C The amount of stress each bird experiences

III

You will hear five short dialogues. You will hear each **once**. Answer questions 16–20.

16. What are the two talking about?
- A A new type of refrigerator
 - B A new method for purchasing fast food
 - C A new marketing method for food

17. Why are medieval “lengthsmen” being taken back into use?
- A They can pass on their local knowledge
 - B They can prevent things from getting worse
 - C They can bring funds into the county

18. What does the man think is so special about the prison in Norway?
- A It is difficult to escape from such a remote place
 - B It reduces the rate of reoffending
 - C It is altogether too easy on the inmates

19. What does the great-granddaughter of Cadbury’s founder intend to do?
- A To sell off the company founded by her great-grandfather
 - B To get rid of her great-grandfather’s country estate
 - C To compete with her great-grandfather’s former company

20. What primarily causes the so-called “chainsaw” level of noise?
- A Electronic equipment
 - B Medical staff discussions
 - C People having to yell

IV

*You will hear five short dialogues. You will hear each **once**. Answer questions 21–25.*

21. What would the man probably say next?
- A But Harry is going to be put into managerial training.
 - B Apparently he's frustrated with his poor pay.
 - C Simply that he's poor at customer service.

22. What would the woman probably say next?
- A Well, I wouldn't want to lend any weight to that claim.
 - B Yes, I must say that he's on the right track.
 - C No, there's no way she would be drawn into something like that!

23. What would the woman probably say next?
- A Okay, but there are other possibilities of course.
 - B No, it surely wouldn't be that problematic over the long run.
 - C It might be hard to give up the fame he has had as a star.

24. What would the man probably say next?
- A But we'll have to rethink our approach.
 - B Outside the deadline, our hands aren't tied at all.
 - C Yeah, the amount of time we'll sacrifice on this is considerable.

25. What would the man probably say next?
- A You never considered your own position in this situation.
 - B Well, I'm glad you demonstrated such presence of mind.
 - C There are many ways of looking at this problem.

V

Suomenkieliset koulut:

*Tässä osassa kuulet viisi uutista. Kuulet kunkin uutisen **vain kerran**. Kuultuasi uutisen vastaa kysymykseen **lyhyesti suomeksi**. Kirjoita vastauksesi **selvällä käsialalla** kielikokeen vastauslomakkeen **A-puolelle**.*

Svenska skolor:

*I den här delen får du höra fem olika nyheter. Du får höra varje nyhet **bara en gång**. När du har lyssnat på respektive nyhet ska du svara **kort på svenska** på den fråga som gäller nyheten. Skriv svaren **med tydlig handstil på sida A** av svarsblanketten för språkproven.*

- a) Miten kala pääsi jokeen, ja miksi sitä kalastetaan?
Hur hamnade fisken i älven, och varför fiskas den?
- ***
- b) Miten ensimmäinen ja toinen kierros toteutettiin vaimon valinnassa?
Hur genomfördes den första och den andra omgången i valet av hustru?
- ***
- c) Millä menetelmällä koirien haukotustutkimus tehtiin, ja millaisia tulokset olivat?
Med vilken metod gjordes undersökningen av hundarnas gäspande, och hurdana var resultaten?
- ***
- d) Miten mehiläiset tappavat ampiaisia, ja mitä saatiin selville tutkimuksessa?
Hur dödar bin getingar, och vad fick man reda på i undersökningen?
- ***
- e) Miksi lippurivistöt kiellettiin? (2 asiaa)
Varför förbjöds flaggraderna? (2 saker)
